Danger in Delay

When you have headache or difficulty in seeing like you should, it is a positive fact that your eyes need attention. The child in school often makes low grades because of their inability to study as they should on account of eye strain.

EYES EXAMINED FREE There is danger in delay.

I also carry a line of Fine Jewelry, Clocks and Watches and give job work special attention.

Saves Leg of Boy.

"It seemed that my 14-year old boy would have to lose his leg, on account of an ugly ulcer, caused by a bad bruise," wrote D. F. Howard, Aquone, N. C. "All remedies and doctors treatment failed till we tried Bucklen's Arnica Salve, and cured him with one box." Cures burns, boils, skin eruptions, piles. 25 cents at H. F. Pitts.

The ROUND OAK Stove

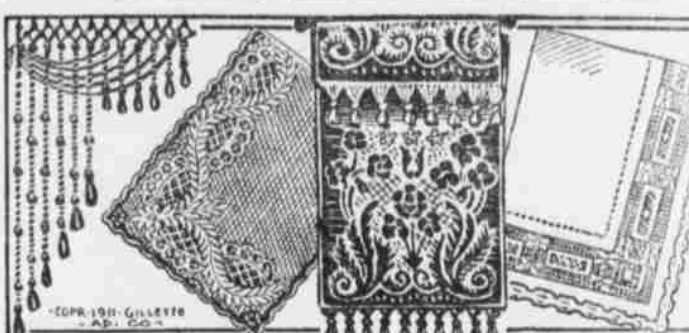

It's the biggest fuel saver in the stove line. Gives a more even and more intense heat from the same amount of fuel than any other stove you can buy.

Burns hard or soft coal, wood or coke—holds fire all night—and the Cone Center Grate permits no clinkers.

This is the stove you've heard so much about—it's been on the market for FORTY YEARS—never has had an equal and never will have one, in spite of its hundreds of imitations. Look for the name on the legs—it is found only on the genuine.

You want the genuine—we have it. Let us show you our complete line of Round Oak Stoves. We probably have just what you are looking for.

Bayne's Hardware
